E. Language Discrepancy:

In the event there is a discrepancy or inconsistency between the English language version and the Spanish language version of these Official Rules or any Game Materials, the English version shall prevail, govern and control.

F. Privacy:

Except as otherwise contemplated in these Official Rules, Participants' contact information collected by Sponsor in connection with the Game will be used by Sponsor in accordance with the Sponsor's [Privacy Statement](#).

14. Arbitration.

By participating in this Game, each Participant agrees that:

- any claim, dispute (whether in contract, tort or otherwise) that McDonald's may have with you, or that you may have with McDonald's, any member of the McDonald's system (which, for these purposes, includes the Game Entities), arising from or related to the Game, the awarding or redemption of prizes, or the determination of the scope or applicability of this agreement to arbitrate, will be resolved exclusively by final and binding arbitration by the American Arbitration Association ("**AAA**") and conducted before a single arbitrator using the AAA's Consumer Arbitration Rules and, if applicable, its Mass Arbitration Supplementary Rules ("**Rules and Procedures**");
- this arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act ("**FAA**"), 9 U.S.C. §§ 1-16;
- prior to you or McDonald's initiating arbitration by filing a Demand for Arbitration with the AAA, you and McDonald's will engage in the informal dispute resolution process outlined in this paragraph. First, the party interested in pursuing a dispute related to the online services must give written notice to the other party of the party's intent to initiate an informal dispute resolution conference (the "**Notice**"). The Notice shall contain: (1) the initiating party's name; (2) the initiating party's mailing address, email address and phone number; (3) a description of the nature of the basis for the dispute; and (4) the specific relief sought. If you are the initiating party, the Notice must be sent via email to: McDonaldsInformalDisputeResolution@usmcd.com. Second, within 60 days of the non-initiating party's receipt of the Notice, or at a later date if you and McDonald's mutually agree to enlarge the 60-day period, the parties shall make a good-faith attempt to resolve their dispute by participating in a live telephone call or videoconference. If you are represented by counsel, your attorney(s) may participate in the dispute resolution conference, but you must be present and must participate in the conference as well. Engaging in this informal dispute resolution process is a prerequisite to commencing arbitration. Any applicable statute of limitations period and all arbitration filing fee deadlines shall be tolled from the date that a fully complete Notice is received by the other party to and including the date the dispute resolution conference is held;

verified winner hereby agrees and grants Sponsor the right, but not the obligation, to the use of their name, voice and likeness, along with their address (city and state) and any statements made by or attributed to such winner in any and all media, now known or hereafter devised, without notice, review or approval, in perpetuity and throughout the world for advertising, commercial and promotional purposes in connection with the Game and other promotions without further compensation (except where prohibited by law), and releases the Game Entities and Festival Entities from any liability with respect thereto.

12. Disclaimer Of Warranties.

The Sponsor makes no warranties, and hereby disclaims any and all warranties, express or implied, concerning any prize in connection with the Game. Without limiting the generality of the foregoing, such prizes are provided "as is" without warranty of any kind, either express or implied, and the Game Entities hereby disclaim all such warranties, including but not limited to, the implied warranties of merchantability, fitness for a particular purpose and/or non-infringement. Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply.

13. Miscellaneous.

A. Disqualification:

It is the Participant's sole responsibility to ensure that they have complied in full with all conditions and requirements contained in these Official Rules. If any potential winner is found to be ineligible, or if they have not complied with these Official Rules, or declines a prize for any reason prior to award, such potential winner will be disqualified, may be prohibited from further participation and the prize forfeited. No mechanically reproduced, illegible, incomplete, forged, software-generated, third party or other automated or robotic entries or other Game participation/play, in whole or in part, will be accepted. Entries or other Game participation/play made by any individual or any entity other than the Participant and/or originating by any other mechanism, including but not limited to commercial sweepstakes subscription, notification and/or entering services, will be declared invalid and disqualified from this Game. Sponsor reserves the right in its sole discretion to disqualify any individual who is found to be tampering with the entry/play process or the operation of the Game; to be acting in violation of these Official Rules; or to be acting in an unsportsmanlike or disruptive manner, or with the intent to disrupt or undermine the legitimate operation of the Game, or to annoy, abuse, threaten or harass any other person. The Sponsor reserves the right to seek damages and other remedies (including attorneys' fees) from any such person to the fullest extent permitted by law.

B. Force Majeure/Printing and Production Errors:

Sponsor reserves the right, without prior notice and at any time, to terminate the Game, in whole or in part, or modify, suspend or extend the Game or Game Materials in any way, if it

- if, during the informal dispute resolution process described in subpart 3 above, McDonald's makes a written offer to resolve the parties' dispute pursuant to which McDonald's will provide all the relief sought in your Notice, including paying you the full amount of your alleged damages set forth therein, you understand that an Arbitrator will have the right to award arbitration fees against you should the Arbitrator decide that you were unreasonable in continuing to pursue the matter despite McDonald's offer;
- if, following the informal dispute resolution process described in subpart 3 above, either you or McDonald's decides to file a Demand for Arbitration with the AAA, the demand must include: (1) the name and contact information of the party initiating arbitration; (2) the legal claims being asserted; (3) a detailed explanation of the factual basis for those claims; and (4) a detailed explanation of both the nature and the amount of the relief sought. Filing a demand that does not include the above information may result in the rejection of your Demand for Arbitration;
- the arbitration shall be held at a location determined by the AAA under its rules and procedures (provided such location is reasonably convenient to you), or at such other location as may be mutually agreed to by you and McDonald's or other members of the McDonald's system;
- the arbitrator's decision shall be based on these terms and any of the other agreements referenced herein that you may have entered into in connection with the online services;
- unless doing so would violate applicable law, the arbitrator shall apply Illinois law consistent with the FAA, and applicable statutes of limitations, and shall honor claims of privilege recognized at law;
- no claims shall be arbitrated on a class or representative basis as you and McDonald's hereby waive the right to assert claims in any class or representative action; arbitration will therefore only decide the individual claims of you and McDonald's; it is agreed that the arbitrator may not consolidate or join the claims of any other person or party to an arbitration between you and McDonald's under this provision;
- you and McDonald's empower the arbitrator with the exclusive authority to resolve any dispute relating to the interpretation, applicability or enforceability of these terms or formation of this contract, including the arbitrability of any dispute and any claim that all or any part of these terms are void or voidable;
- in the event that the administrative fees, arbitrator fees and filing fees associated with the arbitration exceed \$225 USD, McDonald's agrees to pay any such administrative, arbitrator and filing fees exceeding \$225 on your behalf, subject to ultimate allocation by the arbitrator. If you can demonstrate that the cost of initiating your claims in a court of law would be less than \$225, McDonald's will pay the portion of the administrative, arbitrator and filing fees that exceed the demonstrated cost of initiating your claims in court. In addition, if you can demonstrate that the costs of arbitration will be prohibitive

determines in its sole discretion, that a Game Piece(s), Game Code(s), Game Materials and/or prize claim documents reflect printing or other errors or if it determines, in its sole discretion, that the Game is impaired or corrupted or that fraud or technical problems, failures, malfunctions or errors (including, without limitation, computer viruses or other deleterious programs or materials, glitches or printing or production errors) have destroyed or severely undermined the proper play, integrity and/or feasibility of the Game. In the event Sponsor is prevented from continuing with the Game as contemplated herein by any event beyond its control, including but not limited to fire, flood, natural or man-made health epidemic, earthquake, explosion, labor dispute or strike, act of God or public enemy, satellite or equipment failure, riot or civil disturbance, terrorist threat or activity, war (declared or undeclared) or any federal, state or local government law, order or regulation, public health crisis, order of any court or jurisdiction, or other cause not reasonably within Sponsor's control, then subject to any governmental approval which may be required, Sponsor shall have the right to modify, suspend, extend or terminate the Game. Only the type and quantity of prizes described in these Official Rules will be awarded. If, due to printing, digital, computer programming, hardware or software, or production errors or for any reason, more potential winners in any prize category come forward seeking to claim prizes in excess of the number of each type of prize as set forth in these Official Rules, the winners, or remaining winners, as the case may be, of the advertised number of prizes available in the prize category in question may be selected in a random drawing from among all persons making purportedly valid claims for such prize(s) in that prize category. Inclusion in such drawing shall be each Participant's sole and exclusive remedy under such circumstances and no more than the stated number of prizes will be awarded.

C. Invalidity:

The invalidity or unenforceability of any provision of these Official Rules shall not affect the validity or enforceability of any other provision. In the event that any provision is determined to be invalid or otherwise unenforceable or illegal, these Official Rules shall otherwise remain in effect and shall be construed in accordance with their terms as if the invalid or illegal provision were not contained herein. Headings and captions are used in these Official Rules solely for ease of reference, and shall not be deemed to affect in any manner the meaning or intent of these Official Rules or any provision hereof. These Official Rules cannot be modified or amended in any way except in writing by a duly authorized representative of Sponsor. McDonald's restaurant employees or franchisees are not authorized to modify or amend these Official Rules.

D. Governing Law:

All issues and questions concerning the construction, validity, interpretation and enforceability of these Official Rules or the rights and obligations as between Participant and the Game Entities in connection with the Game shall be governed by and construed in accordance with the internal laws of the State of Illinois including procedural provisions without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of any other state's or jurisdiction's laws.

- as compared to the costs of litigation, McDonald's will pay as much of your fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive;
- if more than 1,000 arbitration demands are filed against McDonald's relating to substantially the same business decision or underlying facts by individuals who followed the procedures set forth in subsections 3 and 5 above and are represented by the same counsel or coordinated counsel, and if no substantive ruling has been made in an arbitration between you and McDonald's relating to that decision or those facts, then both you and McDonald's have the unilateral right to opt out of this arbitration provision and have your dispute heard in state court in DuPage County, Illinois or in the United States District Court for the Northern District of Illinois by sending a written notice to the other party; and
 - with the exception of subparts 9 and 12 above, if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, then the balance of this arbitration provision shall remain in effect and shall be construed in accordance with its terms as if the invalid, unenforceable or illegal provision were not contained herein. If, however, either or both of subparts 9 and 12 above are found to be invalid, unenforceable or illegal, then the entirety of this arbitration provision shall be null and void, and neither McDonald's nor you shall be entitled to arbitrate their dispute. In such event, you agree to bring any and all claims arising out of or related to these terms or the online services in either the state courts of DuPage County, Illinois or the United States District Court for the Northern District of Illinois. If litigation ensues for any reason, both you and McDonald's agree to waive any right to a trial by jury. Further, notwithstanding any other language in this arbitration provision, neither you nor McDonald's shall be precluded from seeking remedies in small claims court for disputes or claims within the scope of its jurisdiction. Finally, this arbitration provision is reciprocally binding on all parties, such that both you and McDonald's are required to arbitrate their claims against one another. For more information on the AAA and its rules and procedures, you may visit the [AAA Website](#).
