Homework turn in (per 1/25 office hours)

Homework 1

I was just wondering if I could turn Homework 1 in on Thursday, February 3 or if there was another way for me to turn it in? I finished it yesterday but I'd rather not attend in-person; my mom just booked travel plans to leave on Wednesday, February 2, so I'm hoping to be extremely cautious for a few days beforehand.

You can turn it in on that Thursday. If you are near by campus, you can also drop it off in my office Loyola Hall 108. No one is generally around here. Slide it under my door if I'm not around.
